

Tower Renewal Green Champions Program

Offered in partnership with the City of Toronto's Tower & Neighbourhood Revitalization Unit (TNRU)

We are looking for Residents to become Green Champions!

Green Champions are Volunteers who:

- Will help to build capacity among residents by promoting **energy** and **water conservation**, as well as **waste diversion** in **Thornccliffe Park**
- Are passionate about the environment, climate change and making a difference

What is involved in being a Green Champion?

- Attend **4 workshops** (one per month) that cover these topics: **Energy, Water, Waste** and **Sustainability**
- Facilitate **4 activities** with residents in their respective apartment buildings following each workshop
- Participate in **2 community events** in Thornccliffe Park in order to reach the wider community
- Receive an **honorarium** upon completion of all activities between **January and April 2020**

Who can register to be a Green Champion?

- Residents in the following buildings: **23, 53, 71, 75 and 79 Thornccliffe Park Drive**
- Must be **16+** years of age
- Able to commit to the **activities listed** above from **January 2020 - April 2020**
