Building Connections. Creating Opportunities

**Are you a youth between 18-29 years old
excited about getting your career started?**

**netWORKS is a new way to connect with mentors
who can help you get your career off the ground**

Register today for an Orientation Session!

Next Sessions: Tuesday June 14th, 2022 from 1:00-2:00 pm

netWORKS offer you opportunities to:

- Participate in weekly mentor-led events on various career development topics such as Personal Branding and LinkedIn
- Meet new career role models and expand your professional network
- Hone your skills and build confidence
- Get real-world advice about finding jobs
- Get information about the corporate work environment

To join netWORKS, you must:

- Not be in education and training lasting more than 6 months
- Be looking for meaningful employment and career opportunities

**Orientation link will be provided
upon registration**
