Mentor-Led Event

A Conversation with Suman Chakraborty: The Unconventional Roadmap to Find Your Dream Job

Career Mentor | LinkedIn Branding Coach | Senior Consultant

Join Suman, Career Mentor and LinkedIn Branding Coach, who helps individuals to understand their strengths and passion to best leverage these traits to reach new heights in their careers. Over 14 years in his career, he has focused on understanding the roadmap of making career moves. He has helped several career aspirants find their dream job through discussions on career goals, onsite opportunities, references, resume review, interview preparation, and networking using LinkedIn. He has also helped recruiters conduct hiring interviews for Business Analyst and Quality Analyst roles since 2007.

In this session, you will understand how to approach your job search and career, learn the common mistakes most job seekers make, and learn how you can improvise on your career search strategy. We will discuss resume tips, interview preparation, networking strategies, and how to use LinkedIn for making your next career move.

MENTOR'S BIO

Suman has 14 years of experience in the IT industry, Software Business, and Quality Assurance. Currently, he is a Senior Consultant at CGI, providing specialized support to the Capital Markets division by working closely with the regulatory reporting services team for a Big 5 Canadian Bank. He also conducts hiring interviews for Business Analyst and Quality Analyst roles at his current firm. He was the core committee member of student college placements and had been working with Senior Management in conducting, hiring & recruitment fairs since 2009.

Suman is certified as an Agile Product Owner and Product Manager and a Certified Financial and Capital Markets Professional.

Suman has coached & mentored several job aspirants and helped many job seekers get placed in their dream job by helping them through references, resume review, LinkedIn branding, profile optimization, and interview preparation. He is also a Career Mentor at Mentor Color, helping underrepresented communities in the Technology Career.
