MENTOR'S BIO

Teresa works in the Devices and Services division of Google, managing Canadian retail relationships and strategy for products like the Google Nest Mini and the Nest Learning Thermostat. Prior to becoming a Googler 4 years ago, she worked at Amex, developing new products and also at a Canadian start-up. Teresa has over ten (10) years of experience building client relationships and managing marketing initiatives within the Tech, Retail and Financial Services space.

Teresa graduated with a Finance degree from Western University and has an MBA from the Ivey School of Business. Outside of work, she loves travelling, trying all types of food, doing DIY projects and hanging out with her Shar Pei, named Tuna.
