Mentor-Led Event

A Resume Chat with Nataliya Masyuk: Understand the Applicant Tracking System (ATS) Scans

Career Development Professional | Certified Career and Resume Strategist | Job Coach and Facilitator

Join Nataliya Masyuk, a Certified Career and Resume Strategist, on how to job search with intention by searching within. Nataliya's passion as a Career Strategist is to help job seekers find meaningful work by demonstrating their talents. A resume isn't just a record of work experience and qualifications; it is the hook that gets potential employers interested in your story. In this session, you will learn how to:

- Get noticed by employers and recruiters
- Have a better understanding of how the ATS scans work
- Build a resume that gets you an interview

MENTOR'S BIO

Nataliya Masyuk is a Job Coach and Facilitator at the Opportunities for Employment in Winnipeg, Manitoba. Nataliya works with clients with multiple barriers to employment who require additional support to transition into successful, long-term employment. In addition, Nataliya is the founder and CEO of the Modern Career Lab, helping job seekers navigate through the latest trends in the current job market.

She loves to see how her clients reach their full potential by motivating and finding the right education and career paths. Being a leader for a not-for-profit employment services organization, Nataliya has always demonstrated the idea of "leading by example" and placing clients first. Growing from entry-level jobs into management and entrepreneurship, Nataliya has gained fast recognition among her co-workers, clients and members of the community. She developed 1000+ resumes and helped hundreds of clients to find meaningful employment.
