Mentor-Led Event

A Conversation with Devna Sharma: National Partner Marketing Lead – Telco at Microsoft

Strategic Partner Marketer | Youth Mentor | Mental Health Advocate

Join Devna to hear about her diverse career journey and inspire participants to tap into self-knowledge to build their careers. Like many job-seeking professionals today, Devna's career path has been non-linear, spanning from Software Engineer at Accenture to Senior Marketing Advisor at Microsoft. Devna moved to Canada during a pandemic and took a 2-year career break before finding her current position.

In this session, Devna will also discuss the importance of prioritizing mental health in today's stressful work environment, finding balance, and self-motivating during challenging times.

MENTOR'S BIO

Devna is a businesswoman with an engineering background focusing on bridging the gap between business and technology.

Devna has a proven set of diverse experiences in business, product, and technology. She excels at creative revenue-generating problem-solving and data analysis, operation scaling, process optimization, tactical coordination, and collaboration to ensure the on-time delivery of complex projects.

In her current role at Microsoft, she focuses on bringing cloud products to the market and helping partners be successful in driving growth for Microsoft 365 products.

Her mantra for a successful career is simple – with the power of hard work and determination, you can achieve any goal in life!
