

## About us

We support individuals in pathways into Construction Trades, Information Technology, and Industrial Transportation. Our goal is to provide information, resources, and to support you in addressing hurdles to securing fulfilling careers.

Our pathways aim to connect people into achieving:

- Knowledge and insight into careers
- Have an area of focus
- Training certification
- Job readiness through hands-on and soft skill development

## Who is eligible?

Must be over 16 years of age and meet one of the following requirements:

- Permanent Resident
- Convention Refugee
- Live-in-Caregiver

*If you are interested and don't think you are eligible contact us.*
