A Workshop with Imbert Fung: Mastering Job Interviews
Education Coach | Seasoned Corporate & NGO Leader

Join Imbert Fung, founder and director of Future Reach Education, for an interactive workshop on mastering the behavioural interview.

As a former senior leader in the corporate and non-profit world, Imbert has conducted 400+ interviews recruiting professionals for entry-level to management positions. In addition, having worked in several different sectors across the globe, Imbert has himself sat in the interviewee's chair on 80+ occasions. With accumulated successes (and failures) on both sides of the table, Imbert will share his strategies and advice for job interviewing.
