FREE TRAINING AND PAID JOB PLACEMENT IN TECH/IT FOR NEWCOMERS!!!

FRIDAY, 1ST FEBRUARY 2024
1:00 p.m. (Virtually)!!

WHO:

FutureTek, a Tech Recruitment Company, is running a new program called CanTek for Newcomers to Canada. After completing the program (5 weeks of classes), FutureTek will set you up with a paid job placement**.

WHAT:

CanTek is a 5-weeks in-person IT Training Program for Web Developers/Front End Developers, Data Analysts and Windows Support.

REQUIREMENTS:

- Good knowledge of English (read, write, listen, and speak effectively).
- Basic IT knowledge – Must have a Computer Engineering/Science Degree OR minimum of 1 – 2 year's experience working in Tech/IT.
- The program is PR Holders, Refugees, and Newcomers under an Emergency Authorization to Travel such as the Canada-Ukraine Authorization for Emergency Travel (CUAET) Program.

JOIN US AND LEARN:

- CanTek program is **FREE**! You don't pay to take it, and you don't pay anything to get a job placement.
- FutureTek, the company running the program, helps you get a paid job.
- Classes are 5 weeks long, **In-Person**, Mondays - Fridays. Classes are 4 hours long each day (morning group (9:00 a.m. – 1:00 p.m.) and an afternoon group (2:00 p.m. – 6:00 p.m.)
- Upcoming Program Dates, Q&A and More!
