TRADES CONNECT PROGRAM

The Trades Connect Program is a TNO - The Neighbourhood Organization program which provides information, resources, and wrap around supports to individuals seeking to secure fulfilling careers. We have 3 main pathways in Information Technology, Industrial Transportation, and Construction Trades.

Our Cohorts will participate in various hands on projects supporting them in gaining foundational trades knowledge!

If you would like to learn more about us we welcome you to join one of our information sessions or email us to set up a time to speak at: trades@tno-toronto.org.

Funded by:
Immigration, Refugees
and Citizenship Canada
