- Corner Project**- 2 week foundational trades training, allowing participants to learn drywalling, framing, plumbing, electrical, finishes, and painting
- WHSC** - Certified safety training learning proper working at heights and use of a power elevated work platform
- Industrial Transportation Exam**- Pre-enrollment exam to be considered for OTTA DZ or CZ licensing
- Workshops** - soft skill construction focused workshops

For all other events and flyers please contact trades@tno-toronto.org or our Eventbrite page. Details subject to change.

TRADES CONNECT PROGRAM

The Trades Connect Program is a TNO - The Neighbourhood Organization program which provides information, resources, and wrap around supports to individuals seeking to secure fulfilling careers. We have 3 main pathways in Information Technology, Industrial Transportation, and Construction Trades.

Our Cohorts will participate in various hands on projects supporting them in gaining foundational trades knowledge!

If you would like to learn more about us we welcome you to join one of our information sessions or email us to set up a time to speak at: trades@tno-toronto.org.
