

# We Believe In The Power Of Work!

## Providing no cost hiring and recruitment services for employers

At Employment Ontario, it's not just about finding you a candidate, we help you find and keep the RIGHT employee. Our dedicated staff support you and your employees through the transition to work, including accommodation supports, wage subsidy, and training and support to create an inclusive, safe, culturally appropriate workplace for all Ontarians.

## Access to job ready candidates available to start work immediately

- Recruitment assistance
- Wage subsidies to offset the cost of onboarding and upskilling
- Access to thousands of local, motivated job seekers
- Employment retention supports and services
- Tailored Employer packages

## Working together to build a stronger community.

We continue to support employers and employees through the transition into the workplace with resources and supports to create inclusivity in the workplace and employment retention.
